

DYSPEPSIA OVERCOME

Tone Up the Stomach with Hood's Sarsaparilla.

When you have dyspepsia your life is miserable. You have a bad taste in your mouth, a tenderness at the pit of your stomach, a feeling of puffy fullness, headache, heartburn, and sometimes nausea.

Dyspepsia is difficult digestion—that is what the word means—and the only way to get rid of it is to give vigor and tone to the stomach and the whole digestive system. Hood's Sarsaparilla, sold by all druggists, is the one medicine which acts on the stomach through the blood and also directly. Its beneficial effects are felt at once. Improvement begins immediately.

Hood's Sarsaparilla purifies the blood, makes the rich red blood that is needed for perfect digestion, and builds up the whole system. No other medicine can take its place.

At the Buenos Aires postoffice X-rays have been employed successfully to detect the presence of smuggled articles in mail packages. Watches, chains and other dutiable articles have been discovered in apparently innocent parcels.

GEM PROGRAM

Monday, March 1.

"Her Bargain," with Sydney Ayres, prize Big U romantic drama in two reels. This effort simply proves again that the hot regions know no fury like that of a woman scorned. This one was flitted by her fiancé on the eve of her wedding and wed herself to a laborer in revenge. And that wedding compact was the odd-est you ever heard of—but the bride had wealth, the workman was poor, and so it was "her bargain." Then she made a new bargain entirely and a fairer one. The film tells all about it.

"Lizzy's Dizzy Career," Lizzie goes to the city to air her voice. Awful things happen. Jed follows. Breaks up show. Bungalow captured and sweethearts collect reward. When chorus girls make love to Jed, Lizzie decides to abandon her vocal career and to settle down. Nestor comedy.

Tuesday, March 2.

Eleventh episode of The Master Key. Brimful of excitement. Read story in Saturday issue of The Daily Leader.

"Love and Dough," Heinze, the bakery foreman, flirts with his lady customers and is lambasted for a heartless wretch when all three girls meet each other. He takes refuge in the bakery oven. Other bakers tumble barrels of flour on the pursuing women, and Heinze is smeared up with pies and tarts. Sterling comedy.

Tuesday, Matinee only. "The A-Listed Hour," with Violet Mersereau. Prize Imp sensational drama in two reels. We never say a picture with more punch. Imagine a man being "put away"—just that—by another man in order that this other could win the imprisoned one's wife? Imagine the spirit of vengeance that would lurk in this imprisoned one's heart? How he brought himself out of his prison to take this vengeance, and how he did take it, is what makes the subject a punch phenomena. A notable Imp cast enact the vivid story.

Wednesday, March 3.

"The Stake," Imp Drama with Wm. Garwood and Violet Mersereau.

"The Vengeance of Sampson," a drama of the Canadian mountains with Sidney Ayres.

"Dad," a comedy drama with Murdoch MacQuarrie.

PREPARING FOR BIG CLEAN-UP CRUSADE

CIVIC COMMITTEE OF CITY FEDERATION WILL MAKE IT RED LETTER EVENT THIS YEAR.

The annual clean-up day for 1915 will eclipse all former records.

The civic committee of the City Federation has nearly perfected its plans for the annual clean-up day, an observance that has been carried out for about eight years; each year grows in efficiency and in results obtained. This year will be a record-breaking one. The city administration, Chamber of Commerce, Young Men's Booster club and all other civic and patriotic societies will co-operate with the City Federation in the lead of Oklahoma cities as a clean and beautiful city, and to keep up its reputation as the best city of homes in the state.

Chancellor Hishop of the Methodist church, and Superintendent Brooks of the public schools of Guthrie, will lend their valuable assistance and a young men's brigade from each school will probably be one of the special features of the day's program.

The officers of the National Guard will also be out in full force to give moral and financial support to the day's efforts.

Mr. Cochrell, agent of the Santa Fe at Guthrie, promises the fullest co-operation, and as heretofore, will be of great assistance in not only looking after the Santa Fe right of way, but as a citizen who believes in civic cleanliness and beauty can be relied upon to give fullest support to the Federation's endeavors.

Commissioner Carter appreciates the efforts of the ladies and their co-operation in behalf of a clean and beautiful town and in arousing a civic pride in our home town.

Mr. Porter, in charge of the street and alley department, will unite his efforts with the civic forces of Guthrie.

Miss Adler, president of the City Federation, and Mrs. Herod, chairman of civics, are in charge of the details of clean-up day.

The day will soon be announced and will be some time in the second week in March.

Nervous Periodical Headaches

Succumb to Anti-Kamnia Tablets

This trouble commonly called "ick headache," is said to be due to the retention of uric acid in the system. Often it is stated that a poor condition of the blood is a cause of these headaches, or that it is a nervous condition; and in certain cases, no doubt this is true.

Where treatment is demanded, it is more for the pain than anything else, and Dr. A. F. Schellbach of Louisville, has found Anti-Kamnia Tablets to give prompt and satisfactory relief. "Rest should be insisted upon," he says, "and the patient should go to bed, darken the room, and all the attendants and family should be as quiet as possible. An emetic will sometimes shorten the attack. The bowels should be kept open with 'Acetols'; a hot bath and a thorough rub-down with a coarse towel, often give grateful relief. Two Anti-Kamnia Tablets when the first signs appear, will usually prevent the attack. During an attack, one tablet every hour or two will shorten the attack and relieve the usual aches and yawning." These tablets may be obtained at all druggists. Ask for A-K Tablets. They are also manufactured for nervous headaches, neuritis and all pains.

ALIENS ARE BARRED FROM PUBLIC JOBS

HIGHEST N. Y. COURT HOLDS FOREIGNERS ARE NOT ELIGIBLE

Albany, N. Y., March 1.—The state court of appeals upheld today the constitutionality of the state law, which prohibits the employment of aliens on public works, and which provides forfeiture of contracts on which alien labor was employed. The decision was given in a taxpayers' suit instituted to test the law.

Judge Cardozo asserted that the legislature had declared that the money of the state shall go to the people of the state. "Equal protection of the laws is due to aliens as to citizens," he continued, "but equal protection does not mean that those who have no interest in the common property of the state must share in that property on the same terms as those who have an interest."

AT THE WEST SIDE M. E.

Rev. McCallister selected for his morning subject: "Parable of the Dragnet." The foundation for this sermon is found in the 4th verse of the 13th chapter of Matthew, which reads: "Again the kingdom of Heaven is like unto a net that was cast into the sea, and gathered of every kind. The religion of Jesus Christ differs from that of Brahminism, also that of pantheism and Mohammedanism. The Christian religion is not intended, nor was it founded for any one class or set of people, but for the entire world, declared the pastor. He likened the religion of Jesus Christ unto a fisherman's net—to be cast into the entire world that all may be brought into a state of righteousness and religious love.

The evening subject was "Indiscretions." The text was taken from the 19th chapter of 1st Kings and 7th verse, which is as follows: "And the Angel of the Lord came again the second time and touched him, and said, Arise and eat; because the journey is too great for thee." This text afforded a wide range of thought for discussion, which was taken advantage of by Rev. McCallister in his sermon. He compared this life's journey with that taken by Elijah, the prophet, as spoken of in the above text. The music at this service was a feature of the evening.
